

Growth and Growing Pains

February 19, 2022

Facilitating: Mary McClure

Note-Taking: Betsy

Attending:

1. **What do you believe is the problem we are trying to solve?**
Describe the issue, problem, or challenge facing our community.
 - **With new construction, what is going to be the impact on the community?**
 - **Undersourcerc. How is this being addressed?**
 - **Communicate the process of how Arborwood. What gone before and how can we as citizens. Settle nerves**
 - **Affordable housing for citizens who are working local. How to do both, local and commuters**
 - **Housing costs are driving commuters to Kingston**
 - **Infrastructure issues. Understand the significant impact and issues that this growth brings**

Upside– more services, improved downtown, events to get more people involved in the community.

Loves how the community can come together to solve. I.E Village Green

Seattle proximity as an appealing draw. Planned on traveling frequently, did not.

Edmonds is more of a draw. Fast Ferry as an airport solution. Kitsap Transit

Dial a ride to fast Ferry...who knew?

Discussed briefly the realignment, and automated ferry tag service

What are some of the possible short term solutions (1-3 years) to the problem(s)?

- Getting word out–social media about event, etc.
- Connecting people.
- What other methods do we have to communicate to the community
- Welcome Wagon ideas
- Communicate Arborwood process and planned infrastructure.

KCAC walks

2. **What are some of the possible long term solutions (4-10 years) to the problem(s)?**

o

3. **How will the people and organizations represented here be involved in working on these solutions in 2022?**
