

Food4Kids

Food4Kids provides free groceries weekly during school vacation periods to support nutritional needs to students in the greater Kingston area. Food is delivered to the child's home in two large bags containing enough food for two meals a day per child.

To register for this program, please provide the contact information requested below and send it to Kingston Cares:

Mail: PO Box 876, Kingston, 98346,

Email: 54lorac@gmail.com

Or, return it at the next Community Meal at the Village Green Community Center.

I hereby authorize my child/children's' participation in the Food4Kids school vacation food program.

If your child has a life-threatening allergy, a regular meal package is not suitable. The regular package is also not suitable for children who need dairy-free or gluten-free foods, as most processed foods provided contain one or both. Please mark below if you would like to receive a bag of produce only.

_____ Yes, I would like my child to receive only produce.

*Address and phone number are needed to ensure delivery and provide you with 24-hour reminders before delivery.
